## **ARTICLE 7, VACATION**

This article shall not conflict with State Law, Title 2, Chapter 18, Part 6, MCA.

Vacation leave means an absence with pay at the request of the employee and with the concurrence of the Town.

Each full time employee shall earn annual vacation leave credits from the first full pay period of employment. However, employees are not entitled to any vacation leave with pay until they have been continuously employed by the Town for a period of six (6) months. For calculating vacation leave credits, 2080 hours (52 weeks x 40 hours) shall equal one year.

Proportionate vacation leave credits shall be earned and credited at the end of each pay period. All vacation leave credits shall be earned as is consistent with Personnel Policy Manual and in accordance with the following schedule:

- From one (1) full pay period to less than ten (10) years of employment at the rate of 120 hours for each year of service.
- From ten (10) to less than 15 years of employment at the rate of 144 hours for each year of service.
- From 15 to less than 20 years of employment at the rate of 168 hours for each year of service.
- After 20 years of employment at the rate of 192 hours for each year of service.

When an employee submits a request for vacation, the employer must respond to the request within five (5) working days. The employee must make the vacation request in writing at least fourteen (14) calendar days in advance of the first day of leave to be taken.

Vacation leave credits may be accumulated to a total not to exceed two (2) times the maximum hours earned annually as of the end of the last pay period of the calendar year. Excess vacation time is forfeited if it is not taken prior to April 30 of the following calendar year. It is the responsibility of the department head to provide reasonable opportunity for an employee to use rather than forfeit accumulated vacation leave. If an employee makes a reasonable written request to use excess vacation leave before the excess must be forfeited and the department head denies the request, the excess vacation leave is not forfeited and the Town shall ensure that the employee may use the excess vacation leave before the end of the calendar year in which the leave would have been forfeited.

Separation from service- An employee who's employment with the Employer is terminated (by either party) while the employee is in good standing shall be entitled to cash compensation equal in value to the amount of unused vacation leave. If an employee transfers between departments of the Town, there shall be no cash compensation. In such a transfer, the accrued vacation credits transfer with the employee.

Absence because of illness is not chargeable against vacation leave unless approved by the employee.

#### **ARTICLE 8, SICK LEAVE**

Sick Leave shall be granted in accordance with state law, section 2-18-618, which shall be controlling in the event of a conflict with any provision of this Agreement.

Sick leave is a leave of absence, with pay, for a sickness suffered by an employee or his/her immediate family as defined in the Personnel Policy Manual.

- Each full time employee is entitled to and shall earn sick leave credits from the first full pay period of employment. For calculating sick leave credits, 2,080 hours (40 hours x 52 weeks) shall equal one year. Sick leave credits shall be earned at the rate of ninety-six (96) hours for each year of service without restriction as to the number of working days the employee may accumulate.
- An employee may not accrue sick leave credits during a leave of absence without pay.
- An employee begins to accrue sick leave credits beginning in their first full pay period of employment, but is not entitled to be paid for sick leave until they have been employed continuously for ninety (90) days. Upon completion of the qualifying period, the employee is entitled to the sick leave credits they have earned.

Employees that are in a pay status as of the signing of this contract shall continue to receive the sick leave lump sum payment at the end of employment as shown in the table below. Sick leave will be paid in a lump sum at the end of employment as follows:

<b>Years of Service</b>	<b>Payout</b>
-------------------------	---------------

1-5 years	25%
6-10 years	30%
11-15 years	40%
15-20 years	60%
21+ years	75%

Employees with hire dates later than the signing date of this contract are entitled to a lump sum payment equal to 25 percent of the pay attributed to the accumulated sick leave

- Any employee who receives a lump-sum payment as outlined above and who becomes employed by the Town at a later date shall not be credited with any sick leave for which they have been previously compensated.

**ARTICLE 9, RULES, REGULATIONS, AND POLICIES**

- A. All rules, regulations, and policies of the employer not specifically covered by this agreement shall remain in full force and effect, provided such rules, regulations, and policies are not in direct conflict with the terms of this agreement. The policies of the employer are as set forth in Municipal Police Force Law, Section 7-32-4101 et seq., MCA, unless specifically modified by the terms of this agreement and the Town of West Yellowstone Personnel Policy Manual. In the event of a conflict between the Personnel Policy Manual and this agreement, the terms of this agreement shall control.
- B. The Employer agrees to discuss with the Association and its stewards the establishment of new rules, regulations, and policies affecting employees, or changes in such rules, regulations, or policies, prior to placing them in effect. Changes shall be posted on bulletin boards or electronically for a period of fifteen (15) working days and the comment period prior to implementation shall be an additional fifteen (15) working days. In addition, the employer will provide written notification of the changes to the Stewards and the Montana Public Employers Association at the same time the changes are posted.
- C. Employees shall comply with all reasonable rules, regulations, and policies as set forth above, providing they are uniformly applied and enforced.
- D. Nothing in the article shall limit the employers right to enact rules, policies and regulations

**ARTICLE 10, HEALTH AND SAFETY**

- A. The Town shall adopt and implement safety policies consistent with the Montana Safety Policy Act. Both parties to this agreement hold themselves responsible for the mutual cooperative enforcement of safety rules and regulation.
- B. In accordance with Title 7, Chapter 32, Part 4132, MCA, in the event an

employee is injured in the performance of his/her duties and requires medical or other remedial treatment for injuries that render the him/her unable to perform his/her duties, the employee will be paid by the Town the difference between the employee's net salary, following adjustments for income taxes and pension contributions, and the amount received from workers' compensation until the disability has ceased, as determined by workers' compensation, or for a period not to exceed 1 year, whichever occurs first. To qualify for the partial salary payment provided for above, the employee must be unable to perform his/her duties as a result of the injury.

- C. The employer agrees to hold the position open for one year from the date of injury.

## **ARTICLE 11, STEWARDS**

Employees selected by the Association to act as Association representatives shall be known as "Stewards". The Association may select no more than two (2) stewards. The names of employees selected as stewards and the names of other Association representatives who may represent the employees shall be certified in writing to the employer by the Association. The employer will not discriminate against any Association steward for legitimate steward activity. These activities include investigation of formal grievances and receiving notification of serious accident and/or health hazards. Stewards may investigate and discuss grievances in their work areas providing they first secure the permission of their immediate supervisor. The Town shall allow work release time for not more than one (1) steward for the purpose of participating in collective bargaining negotiations.

The Association shall provide the names of the Association stewards to the Town within fourteen (14) days of their selection. In the event a steward leaves, the Association shall select a new steward and notify the Town of the new steward's name within thirty (30) days.

## **ARTICLE 12, SENIORITY**

- A. Seniority serves only as a qualification for benefits expressly provided for in this agreement and shall have no other effect. Seniority shall take effect twelve (12) months after the first day of employment. During the first twelve (12) months of employment, each employee shall be considered a probationary employee. After completion of the probationary period, the employee shall achieve seniority based on the date of hire as a police officer with the Department. There shall be no seniority among probationary employees and they may be laid off, discharged, or otherwise terminated at the sole discretion of the employer.

If more than one employee is hired on the same date, seniority is based on ranking as determined at the time of hiring.

In case of reduction of forces, probationary employees shall be terminated first. After probationary employees have been terminated, reductions will proceed in "reverse seniority" order; the last employee hired shall be the first employee to be laid off. Employees released, due to a reduction in force are subject to recall on a seniority basis. In the event of a reduction in forces, the employer agrees to provide the employees 30 days' notice. Employees recalled after a reduction in force will be allowed five (5) working days to accept or decline reemployment.

- B. Discharge for cause, voluntary resignation, medical leave in excess of one year, or more than 18 months layoff shall break seniority.
- C. When a vacancy occurs in any job classification of the department, the department may use the internal recruitment process to recruit for such vacancies on the basis of qualifications and seniority. In the event that a current employee from department meets the qualifications for the position, is selected to fill the position, and accepts the new appointment, that employee shall retain service credit for determining benefits.

#### **ARTICLE 13, DISCHARGE OR SUSPENSION**

- A. This agreement shall govern the discharge or suspension of Police Department employees.
  - 1. Employer shall not discharge non-probationary employees without just cause. Minor rules infractions will not be cause for discharge or suspension without an established pattern of continued misconduct. An established pattern is defined as more than three minor violations during a twelve (12) month period. Minor violations will be annotated on a standard Employee Warning Notice that entitles the employee to also make a statement about the events.
  - 2. Warning notices will be placed in the employee's personnel record and may be used as a basis for determining performance during annual evaluation. Supervisors must complete warning notices within ten (10) working days of discovery.
  - 3. It is the policy of the Town that discipline should be used to encourage appropriate standards of behavior and promote proper employee conduct. When circumstances permit, department directors are to pursue a philosophy of "Progressive Discipline," whereby employees receive increasingly severe levels of discipline for each successive instance of related misconduct. This will provide an employee an opportunity to modify and correct the behavior and/or work deficiencies.

4. When imposing disciplinary measures on a current incident, supervisors will not take into consideration prior infractions of the Town or departmental rules and regulation which occurred more than eighteen (18) months previously. However, within the context of progressive discipline, the final action of dismissal from employment cannot be considered corrective or rehabilitative in nature since the employment relationship is terminated.
5. In such instances where progressive discipline has failed to achieve an employee's compliance with expected standards of behavior and a decision to dismiss the employee is under consideration, it is appropriate to review the employee's entire employment record with the Town.
6. It should be understood that depending on the nature and circumstances of the unsatisfactory performance or behavior, a supervisor may use any disciplinary measure deemed appropriate within his or her judgment and is not bound to follow the sequence outlined above. Progressive discipline is not necessarily required for discharge or suspension if the employee is dismissed or suspended for cause.

The following non-inclusive reasons may be sufficient for dismissal for cause:

- a. Incompetence or inefficiency in the performance of duties.
- b. Conviction of a criminal offense involving moral turpitude.
- c. Violation of any lawful or official regulation or order, or failure to obey any lawful direction made and given by a supervisor where such violation or failure amounts to an act of insubordination or a breach of proper discipline, or has resulted or might reasonably be expected to result in loss or injury to the Town or public.
- d. Wanton use of offensive conduct or language toward the public, Town officials, or other employees.
- e. Carelessness and negligence in the handling and control of Town property.
- f. Inducing or attempting to induce any Town employee to commit an unlawful act or to act in violation of any lawful and reasonable official regulation or order.

- g. Taking any fee, gift, or other valuable thing in the course of work or in connection with work, for personal use when such is given with the expectation of receiving a favor or better treatment.
  - h. Dishonesty in the performance of duty, or in the employees application for employment with the Town.
  - i. Unauthorized absence from work.
  - J. Drinking of alcoholic beverages or using any drug(s) to the extent of affecting job performance as determined by the Town, or consumption or use of alcoholic beverages or illegal drugs while at work.
  - k. Possession, use, distribution, sale, or manufacture of a controlled substance.
  - l. Failure to satisfactorily perform job duties, disruption of the employer's operation, or other legitimate business reason.
- 4. Supervisors must complete suspension or termination notices within ten (10) working days of occurrence or discovery. They will be completed in writing and will be provided to both the employee and the Association.
  - 5. Circumstances related to both warning notices and suspension or termination may be grieved using the grievance procedure. All formal grievances must be submitted within ten working days of the event or discovery, per Article 15, below.

## **ARTICLE 14, GRIEVANCE PROCESS**

Employees are encouraged to discuss concerns about work related conditions. A grievance is defined as an employee's expressed feeling of dissatisfaction concerning conditions of employment or treatment by the Town administration or supervisors. If the issue cannot be resolved at the level of the first line supervisor, employees may submit a formal grievance. Time lines stated in the grievance procedure may be extended at any time upon mutual written consent of both parties. All reasonable attempts shall be made to resolve grievances at the lowest level when possible.

**STEP I** Any grievance must be discussed at this level within fourteen (14) calendar days of the employee becoming aware of the initial problem. This step is an opportunity for both parties to resolve the issue informally through a dialogue with their supervisor. The supervisor has ten (10) working days to resolve the grievance or

inform the grievant that the grievance may advance to the next step. If the magnitude of the grievance is serious enough that termination is the remedy proposed by the employer, this step may be bypassed.

**STEP II**

The grievant has ten (10) working days from the end of Step I to present the grievance formally in writing to the Chief of Police. Formal filing of a grievance means that the grievant must present a brief but thorough written description of the grievance and the facts upon which it is based.

It also must detail the proposed remedy or correction sought with reference made to the section of the collective bargaining contract that the grievant believes was violated. In addition to the above, the grievant must contact the MPEA Field Representative for information and advice. The Chief of Police shall have ten (10) working days to resolve/respond to the grievance. If the grievance is still unresolved the Chief will render his/her decision to the employee in writing and forward a copy to the Town Operations Manager.

**STEP III**

Following receipt of the Chief of Police's response to Step II, the Town Operations Manager shall have ten (10) working days to review the grievance and provide a written response to the involved parties.

**STEP IV**

In the event the parties are unable to agree at Step III, the parties may request a list of five (5) arbitrators from the State of Montana Board of Personnel Appeals. The parties shall meet within seven (7) calendar days of receiving the list to decide upon an arbitrator. The parties may select an arbitrator by mutual agreement, or by alternately striking names from the list. The order by which names shall be struck from the list shall be determined either by mutual agreement or by flipping a coin. The last name left on the list shall be designated the arbitrator.

The Parties shall jointly contact the arbitrator and establish a date for the arbitration hearing. The arbitrator shall rule on the matters within the scope of the terms of this agreement only and the arbitrator's decision shall be binding on both parties.

Each party shall bear the fees and expenses of the presentation of its case. The fees and expenses of the impartial arbitrator shall be shared equally between the parties. In the event either party to the arbitration requests a transcript of the proceedings, the party requesting the transcript shall bear all costs of such transcript.

**ARTICLE 15, UNIFORM ALLOWANCE & TRAINING AMMUNITION**

The Employer will supply employees with all required uniform items and footwear to perform their duties as reflected in the Police Department Policies.

The employer shall provide training ammunition as required by the training policies for the police department.
