

SUPPLEMENT TO THE MPEA MASTER AGREEMENT
For Certain Employees Of The
Health Resources Division
Public Health and Safety Division
Quality Assurance Division
MONTANA DEPARTMENT OF PUBLIC HEALTH AND HUMAN SERVICES

Each of the provisions listed below supersede similar provisions contained in the MPEA Master Agreement:

A. PROBATIONARY PERIODS

The probationary period for employees classified as health care facility surveyors in the quality assurance division will last for one year. The Employer will provide written performance appraisals for these employees every three months during their probationary periods. If the Employer determines at any time during the probationary period that the services of the probationary employee are unsatisfactory, the employee may be separated upon written notice from the Employer.

B. WORK HOURS

Employees classified as quality control reviewers and claims examiners will operate on a 40-hour week instead of an eight-hour work day.

C. COMPENSATORY TIME

Compensatory time for bargaining unit employees may be accumulated to a maximum of 120 hours. Compensatory time in excess of 120 hours will be paid at time and one-half the employee's regular rate of pay.

D. REST BREAKS

One rest break of a normal duration will be granted during the first four hours of work and one rest break of a normal duration will be granted during the second four-hour work period. In no case will the rest breaks be used to extend the lunch period or allow for early departure.

E. LABOR-MANAGEMENT RELATIONS COMMITTEE

1. The Employer and the Association agree to the establishment of a Labor-Management Relations Committee, one committee for each division. The purpose of this Committee is to discuss any item of concern to either party and to improve communications between the Employer and the members of the bargaining unit. The Committee will not, however, take the place of the grievance procedure outlined in Addendum B of the MPEA Master Agreement or the collective bargaining process.

2. The Labor-Management Relations Committee will be comprised of an equal number of representative from management and bargaining unit members; not to exceed five.
3. The Committee will meet in accordance with each committee's rules.
4. Bargaining unit members will receive paid release time to attend Labor-Management Committee meetings when scheduled during normal work hours. All parties agree that participation in LMC meetings will be encouraged and supported by both parties.
5. Prior to the scheduled Labor-Management Committee meetings, each party may submit to the other its agenda items or if required by the committee's rules. The agenda shall be limited to items of a group rather than individual concern that cannot easily be solved through established supervisory channels.
6. Meetings will be organized according to the processes outlined in each Committee's rules. Copies of the minutes will be reviewed and signed jointly.
7. Labor-Management Committee meetings may be canceled upon mutual agreement.

F. TRAINING

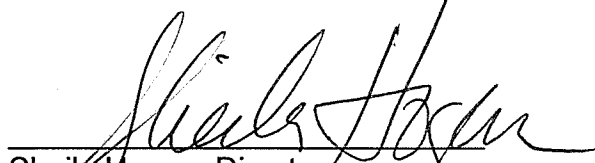

If an employee feels additional training is necessary for them to successfully perform their job duties, the employee is encouraged to contact their Supervisor to discuss what training methods are available.

G. ANNUAL LEAVE

Annual leave which is requested for a minimum of one week or greater shall be in writing and approved or denied within (10) working days. If the employee has not received a response within (10) working days they should follow the chain of command and contact the next highest management official who will resolve the issue within (5) working days. Reasons for denial of annual leave shall be provided to the employee in writing.

DATED this 31st day of January 2018.

Addendum A
Broadband Pay Plan Provisions

This agreement represents the parties' full and complete agreement for all provisions of the Broadband Pay Plan under the term of this contract.

Section 1. Across the Board Pay Adjustments

All employees covered by this collective bargaining agreement under the Broadband Pay Plan shall receive a 1% increase in their base rate effective the first full pay periods that include February 15, 2018 and February 15, 2019.

Further, in accordance with Section 2-18-303(4)(a)(i), these adjustments will not be provided to employees until the State receives written notice that the employee's collective bargaining unit has ratified the agreement. If that notice is received after the effective date of the pay adjustment, the adjustment will be paid retroactively.

Section 2. Health Insurance

HCBD is managing the State Employee Group Health Plan to contain costs and minimize member cost impacts. Member contributions, copay amounts, deductibles, coinsurance levels, and maximum out of pocket levels will not increase through December 31, 2018 and shall only increase in the 2019 plan year if the actuarially determined Risk Based Capital Level is at or below 250%. The State of Montana will continue the employer's share of the individual health contribution for group benefits in the amount of \$1054 per month for the term of this agreement.

Section 3. Longevity. All of the calculations are base rates and not inclusive of longevity.

Section 4. Hiring rates. Employees new to state government will typically be hired at the entry for the occupation. In determining a new employee's hiring rate above entry, the Supervisor, or designee, shall consider criteria such as: the employee's job-related qualifications and competencies; existing salary relationships within the job class, band and work unit; department affordability; and the competitive labor market.

Section 5. Training Assignments. The Supervisor or designee may establish written training assignments to enable an employee to gain the additional experience and training required for the job for a period of time not to exceed one year. At the completion of the training assignment, the employee's pay will be set no less than the entry rate of pay for the occupational pay band.

Section 6. Market-based pay: Pay awarded to employees based on comparisons to how other employers compensate employees in similar jobs. Market-based comparisons consider not only base pay, but also other types of compensation and benefits having a definable dollar value. The Department may consider market-based pay adjustments on a case-by-case basis.

Section 7. Competency-based pay: Pay based on an assessment of an employee's job-related competence. The Department may consider competency based pay adjustments on a case-by-case basis.

Section 8. Results-based pay: Pay awarded to employees or employee teams based on accomplishments. Results-based pay may be awarded for specific outcomes or outputs. The Department may consider results based pay adjustments on a case-by-case basis.

Section 9. Strategic pay: Pay awarded to attract and retain key employees with competencies critical or vital to achievement of the Department's mission or strategic goals. The Department may consider strategic pay on a case-by-case basis.

Section 10. Situational pay: Pay based on circumstances that occur that are not encountered in either the majority of jobs in state government or jobs used to make market comparisons. It is intended to address difficulties in recruitment and retention. It may be considered when atypical requirements exist in a position, for example, unusual hours, extreme physical demands, or environmental hazards that are causing recruitment and retention problems. The Department may consider situational-based pay on a case-by-case basis.

Section 11. The union will be provided notification of all pay adjustments under the provisions in this addendum.

Section 12. When travel is part of the principal activity and within the course and scope of employment such travel time will be compensable time when in the pursuit of conducting business on behalf of the State. If such travel necessitates overnight lodging, compensable time shall end when checked into the lodging for the night's rest period and begin when checking out of the lodging. Travel will be considered to have ended when employees return to the designated point of origination.

Due to their personal safety, an employee may opt to stay overnight at a location greater than (50) miles away from the designated place of business with prior approval from the immediate Supervisor. Such requests will be kept confidential between the employee and management.
