MPEA

Date: January 16, 2018

Re: January 20, 2018 Special Meeting

On behalf of the MPEA Board of Directors I would like to thank you for pre-registering for the upcoming special meeting regarding the proposed merger with MEA-MFT and subsequent formation of the Montana Federation of Public Employees. Many of you will be traveling in from outside of Helena and we greatly appreciate your commitment to the future of your union.

Saturday will be a very busy day so please plan to arrive as early as possible. Registration for anyone who has not pre-registered will begin at 9:30 AM and close at 10:30 AM sharp. For those pre-registered, you must sign in, pick up your name badge and materials prior to 11:00 AM when the meeting will begin. In order to be eligible to vote you must have signed in prior to the beginning of the 11:00 AM meeting and have attended that portion of the special meeting where the proposed merger and Constitution of MFPE will be explained and discussed. Additionally, MPEA and MEA-MFT will provide a sack lunch and you should plan on a working lunch.

If you haven't already reviewed the information related to the merger, you'll find all of the documents on our website under the tab 'MERGER'. Again, thank you for giving up your Saturday to be part of this historic event and we look forward to seeing you!

Safe travels to Helena!
