

Memorandum of Understanding

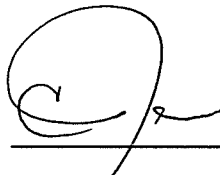

Between

Missoula Airport Authority

And

The Montana Public Employees Association Public Safety Officers

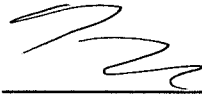

It is understood by the parties that on September 1, 2018 the Montana Public Employees Association and MEA-MFT will complete their merger. The new representative labor organization shall be named the Montana Federation of Public Employees and shall be the recognized representative of all employees covered by the MPEA PSO Bargaining Agreement. It is also agreed that upon negotiating a successor agreement, the recognition clause will be amended to address this name change.
